- ✓ Be our GPS System

In School – Curriculum

What are our students learning?

What classroom experiences do they have?

How do we assess our students' skills?

Are we on
target
with the needs
of the future
L. I. workforce?

Out of School – Work Experience

What types of experiences should our students have?

What elements should be included in the experience?

How will we provide transportation services for our students to the job sites?

Can you help us provide a work based learning experience for all our graduates?

Educational Outreach

How can you help us inform and educate industry, parents, educators and students about tomorrow's careers?

**What
activities
should we
be
involved
in?**

Post-Secondary Articulation

How can we enhance our relationships with post-secondary institutions and organizations?

**What
linkages
should we
have in
place?**

Questions?

- ▶ 15 minutes of group discussion.
- ▶ 1 recorder at each table.
- ▶ 1 person to summarize major points.

***Provide our students with the tools they need to succeed
in the future L. I. workforce!***
